Senior Design Bi-Weekly Status Report; Fall 2020

Report Period: Aug 17-30

Summary of Progress in this Period

Our team met and discussed team expectations, set up roles, and established a main form of communication (Microsoft Teams).

We are planning to meet with our client/faculty advisor within the next week and, in the meantime, we are reviewing resources that the client has shared with us.

Pending Issues

Meet with the client/faculty advisor on an overall project. Find out what the team and individual expectations, and deadlines are.

Research more for 5g prototyping, open air interface applications and other 5G research materials.

Plans for Upcoming Reporting Period

Define important points and identify potential problems for the project.

Continue reading articles and getting familiar with tools provided by the client/faculty advisor.
